

Brookside Primary School

Learn Together - Achieve Together

School Sports Premium 2020/2021

The Government is providing funding to improve provision of physical education (PE) and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children.

At Brookside we strive for all pupils leaving school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

At Brookside all the children participate in lessons with a qualified sports coach. The coaches work with members of staff in developing their coaching ability. In previous years, staff have had CPD working with coaches on Gymnastics, dance and we trained staff as part of the Premier League Primary Stars (please see link to our video <https://www.youtube.com/watch?v=PisaNK7USog>). In Key Stage Two the children have lessons in invasion games, striking and fielding games and net and wall games, Dance lessons, Gymnastics lessons, and in years 3 to 5, swimming lessons at Hazel Grove Swimming baths. Sport and healthy lifestyle is promoted wherever possible, as a school we particularly promote cycling. We have been awarded the Sustrans Bike It Award, participate in the annual Big Pedal event, Year 5 and 6 complete Bikeability course. Year 6 go on an outdoor and adventurous residential visit each year to the Conway Centre, Anglesey. In EYFS and Key Stage One the children have lessons in Gymnastics, Dance and multi-skills activities.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Children have benefitted from an increased range of Sports and PE activities enabling them to gain increased skills, confidence and self-esteem from the input of specialist coaches. • Staff have gained support and training to enhance their skills, teaching and enjoyment of PE. • All children have participated in whole school intra – school competition. • A number of children have benefitted from participating in inter- school competitions in a number of sports, enabling them to develop skills and compete against children of their own age. • Sole use of local Tennis club and facilities on a weekly basis through summer term. Providing children with high quality facilities and coaching. • Links with local clubs e.g. Tennis Club, Stockport County Football Club 	<ul style="list-style-type: none"> • More children to participate in inter school competitions. • Children to have the opportunity to observe sporting events or sporting professionals. • Further development of staff. • To further support, include and involve less active children both in PE lessons and extra-curricular sport activities. • Update, replenish and acquire new and exciting PE equipment and resources. • Encourage 30 minutes of exercise a day – through lunchtime circuits/Hockey led by PE coaches. Imoves sessions in class. • Provide bubbles with own PE equipment for PE sessions and lunchtime physical activity.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	92%
What percentage of your current Year 6 cohort use a range of strokes effectively for example, front crawl, backstroke and breaststroke?	85%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	88%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
