Vision and Values

Learn Together, Achieve Together

At Brookside Primary School we are proud to be a welcoming, inclusive, collaborative school where every child is seen as an individual.

Our Vision is to prepare our children to be ready for the challenges of the future: to be able work both collaboratively and independently; to have respect and empathy towards others; to develop a lifelong love of learning; and to have the confidence to achieve their goals.

We adopt a creative approach to the planning and delivery of the curriculum, ensuring that all our children receive their entitlement of a broad and balanced education. We endeavour to create an open and friendly environment where individual children's needs are met. This will enable them to flourish in our School and achieve their full potential.

This will be achieved by providing:

- a safe, secure and happy learning environment where each child is valued and inspired to achieve all that they can
- a dedicated, innovative and aspirational staff team who are committed to delivering excellent learning
- an engaging, creative, broad based curriculum which is personalised to meet the needs of the whole child
- a 'working with' community of high challenge and high support.
- teaching which both promotes teamwork and independence, challenge and support

We aim to:

- develop independence and responsibility in the individual
- nurture social and emotional security
- promote positive relationships with all members of our school and the local community
- develop the use of new technologies that stimulate and extend boundaries of learning
- promote enjoyment and exciting experiences in all areas of school life that extend beyond the classroom
- give every child the best educational start in life that we can, actively seek to develop our professional skills and take on new challenges.
